**UMA Hub**  
coworking & community

Through UMA Hub's acceleration programme, tech startups from Türkiye gain concrete insights into the German market.

The framework includes the following points:

- / Flight, accommodation and transfer
- / Formation and shareholder forms in Germany
- / Introduction to business taxation
- / Visit and exchange with Berlin Partner and IHK
- / Visit and exchange with Economic Attache of the Turkish Embassy Berlin
- / Workshops with experts
- / Keynotes on the German tech ecosystem
- / Pitch and networking event
- / Meeting and exchange with successful Berlin start-ups
- / Meeting and exchange with entrepreneurial networks
- / Sightseeing Tour
